

eStatement Enrollment for Personal Accounts

After logging in to online or mobile banking:

1. From the Main Menu, select **Services > Statement Delivery Preferences**.
2. On the Statement Delivery Preferences screen, choose the account(s) you wish to enroll in Electronic Statement delivery by using the drop-down menu next to each account listed.
3. Confirm the Delivery Email Address for the electronic statement notification. *If you need to update your email address information, visit Settings > Address Change.*
4. Review the E-Statement Delivery Disclosure at the bottom of the Statement Delivery Preferences screen. Click the "I Accept" button in the disclosure window, or check the box to accept the disclosure.
5. Click Submit.

When your electronic statement is available, you will receive an eStatement notification via email. You may view your statements by visiting Services > View eDocuments in online and mobile banking.
